

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

Claim 1 (currently amended): A hearing device comprising a housing adapted for placement behind the ear, the housing having a base part and a plurality of modules being mounted to said base part via a ~~pivot bearing hinge part~~, ~~said module~~ comprising a ~~plurality of submodules~~, one of said ~~submodules~~ plurality of modules being a wireless signal transmission module being releasably mounted to another one of said plurality of submodules modules.

Claim 2 (currently amended): The device of claim 1, wherein one of said plurality of modules has a battery compartment.

Claim 3 (currently amended): The device of claim 2, wherein applying said module having a battery compartment to said base part establishes electric feed to said base part.

Claims 4-9 (canceled)

Claim 10 (currently amended): The device of claim 1, wherein each of said plurality of submodules are modules is adapted for ~~mutual~~ snap-locking.
